Subject: Presentation on HIV Consent, Testing, and Counseling

On April 24, 2008, Governor Martin O'Malley signed into law House Bill 991 and Senate Bill 826 "HIV Testing – Informed Consent and Treatment" which make changes to the HIV testing and counseling process in the State. The AIDS Education and Training Center (AETC) will be hosting an Information Presentation featuring Dr. John Bartlett, Dr. Robert Redfield, and myself. The purpose of this presentation is to inform medical providers on the changes in the law and the impact on patient care as well as present a practice advisory in anticipation of the regulations to follow.

You are cordially invited to this Information Presentation on July 30, 2008 at 6 pm at Fleming's Restaurant, 720 Aliceanna Street, Baltimore, MD 21202. Dinner and materials will be provided.
