

Giving to the Partnership for a Safer Maryland

It takes a variety of resources to make Maryland a safer place to live, work and play, including: time, commitment, energy and yes, money.

The Partnership will identify: qualified projects that make the commitment to keeping Marylanders safe, that are willing to put forth the energy needed to carry out and follow through with their projects and that have time for both. With continued donations, the Partnership can take the next step in ensuring these projects have the financial means needed to bring about change.

Giving to the Partnership for a Safer Maryland

Donations to the Partnership for a Safer Maryland allow us to:

- ★ Support local evidence based programs.
- ★ Provide injury prevention training to local communities.
- ★ Provide technical assistance to Maryland programs.
- ★ Network injury prevention professionals to share resources and enhance outreach.
- ★ Educate Marylanders on how to prevent injuries.

Donations can be made payable to:

The Center for a Healthy Maryland
c/o Partnership for a Safer Maryland

Address: 1211 Cathedral St, Baltimore, MD 21201

T: 800-492-1056 or 410-539-0872
